enemies?**

---

# What is Jihad?

Jihad means struggling in the way of Allah. Lesser Jihad is holy war. Greater Jihad is the struggle to be a better person.

Write this in your book

Extra Challenge: Why do you think struggling to be a better person is called *Greater* jihad?

---

## Outer struggles

Keeping up to date with homework

Being patient with my family

## Inner struggles

*Being grateful*

Not judging people

Visiting wider family

*Being sensitive to other peoples needs*

Draw an outline of yourself.

Consider all the challenges you face in life. All of those related to controlling your desires should go inside the body.

All of the challenges that come from outside of yourself should be written outside the body.

Ext: Consider which challenges are the hardest and why.
