

Dear Parent/Carer

Following the successful completion this week of the in-school testing programme, we are pleased to let you know that we are now in a position to distribute Self-Test kits to all students who have consented to be part of the testing programme.

All students who have provided consent will receive their Self-Test Kits, according to the below schedule, and bring them home:

	Year Group
Monday 15th	11
Tuesday 16th	10
Wednesday 17th	9
Thursday 18th	8
Friday 19th	7

Some important information to note:

- Your child will be provided with two Self-Test Kits containing six Lateral Flow Device Tests in total and an instruction booklet.
- This will be enough supply to last the student until the Easter Holidays.
- Students should conduct their first self-test on the day that they receive the kits and then subsequently every 3-4 days.
- Please report every result online through www.gov.uk/report-covid19-result.
- If your child has a positive result please inform school through our normal absence reporting measures.
- If a student gets a positive result at home they should report the result and arrange to have a Polymerase Chain Reaction (PCR) test by following [this link](#).
- In the event that the PCR test is negative they can return to school.
- If your child has not provided consent they should not collect the Self-Test kits.

If you have any questions regarding the above, please visit our dedicated web page for key information relating to Self-Testing in the first instance www.rastrick.calderdale.sch.uk/self-testing/, or contact your year Achievement and Support Team.

Many thanks for your ongoing support.

Yours sincerely
Leo Timmins
