10.8	14:40pm
10.9	14:50pm
10.10	15:00pm

Some important information to note:

- This is your testing appointment time and not the date they return to school.
- The process should take no more than 15 minutes. The student will then log their test and receive their test result later in the day.
- Please ensure your child arrives no earlier than their allocated time slot and enters school through the Student Reception.
- Your child will leave school site immediately after the test has been conducted.
- We are expecting many parents to be providing transportation for students to access the testing; if you are dropping off and collecting your child please ensure you follow local parking restrictions and are respectful of our local residents.
- Students are not required to wear school uniform to access their in-school test, however, will be expected to be in full school uniform from 8th March (expectations around full school opening will be sent to you later this week).
- Children of critical workers and vulnerable students who are attending school on the above days will participate in the testing programme as above, but will return to their teaching timetable after they are tested.

Year 10 will receive their 2nd test Tuesday 9th March and 3rd test on Friday 12th March. Students will access these tests during the course of their normal school day.

We are looking forward to welcoming your child back to face to face lessons on Monday 8th March and thank you for your ongoing support.

Yours sincerely
Leo Timmins
