

Art and Design Curriculum Overview

Year 9

Students learn new skills in four rotations. Students are taught to develop their creativity, key skills and observations. These skills are then applied in a personal response in each of the four areas.

Subject	Art 1	Product Design	Skills	Textiles
Knowledge/skills Overview	<p>Students will:</p> <p>Have an understanding of a range of practitioners.</p> <p>Be able to blend paint effectively.</p> <p>Know how to use oil pastels.</p> <p>Be able to use ceramics to create a 3D skull.</p> <p>Be able to use mark making to show tone and texture.</p> <p>Be able to use gridding and use symmetry.</p> <p>To be able to record ideas using drawing, and annotation.</p>	<p>Students will:</p> <p>Demonstrate critical understanding of sources.</p> <p>To be able to access and navigate CAD software.</p> <p>Be able understand and use an iterative design process.</p> <p>Be able to use industry standard manufacturing methods such as laser cutting.</p> <p>To be able to manipulate the surface texture and appearance of wood.</p> <p>Understand how to use casting to produce complex forms.</p> <p>Understand and investigate the work of Veronika Richterová..</p>	<p>Students will:</p> <p>An understanding of isometric drawing.</p> <p>An understanding of one-point perspective.</p> <p>An understanding of two-point perspective.</p> <p>To be able to use line effectively.</p> <p>To be able to blend tone.</p> <p>An understanding of atmospheric perspective.</p> <p>To be able to blend paint effectively.</p>	<p>Students will:</p> <p>To be able to use the sewing machine.</p> <p>To be able to experiment with dyeing techniques.</p> <p>To be able to experiment with hand embroidery stitches such as seed stitch, French knots and chain stitch.</p> <p>Be able to record ideas using drawing techniques.</p> <p>To be able to use translate design ideas into fabric.</p> <p>To be able to refine ideas and combine techniques together and design a final outcome.</p>
Applying and evaluating	<p>Students will:</p> <p>Select and use a variety of media and techniques to record ideas and observations in a personal response.</p>	<p>Students will:</p> <p>Select and use a variety of media and techniques to record ideas and observations in a personal response.</p>	<p>Students will select and use a variety of media and techniques to record ideas and observations in a personal response.</p>	<p>Students will:</p> <p>Select and use a variety of media and techniques to record ideas and observations in a personal response.</p>
