Some important information to note:

**Please ensure your child arrives no earlier than their allocated time slot on this day and enters school through the Student Reception.**

The process should take no more than 15 minutes. The student will then wait for their result in the Drama Studio, and if a negative result returns your child will go back to face to face learning following their timetable.

If any student tests positive we will follow our normal protocols and contact family, so that your child can be collected from school.

We are expecting many parents to be providing transportation for students to access the testing; if you are dropping off your child please ensure you follow local parking restrictions and are respectful of our local residents.

Students will be required to attend school on Monday in full school uniform.

Year 7 will receive their 2<sup>nd</sup> test on Thursday 11<sup>th</sup> March and 3<sup>rd</sup> test on Monday 15<sup>th</sup> March. Students will access these tests during the course of their normal school day.

We are looking forward to welcoming your child back to face to face lessons during the course of Monday 8<sup>th</sup> March and thank you for your ongoing support.

Yours sincerely

Leo Timmins
